✨ VK Nữ Newsletter | April 2026✨

Dear VK Nữ Sisters,

April brings a beautiful balance of reflection and expression within our community. From meaningful mentoring journeys to creative gatherings, we continue to create spaces where Vietnamese women across the world can connect, grow, and feel a sense of belonging.

⭐ VK Nữ Mentoring Program 2026

We would like to announce that we still accept applications until end of this week (12 April 2026).

Each year, this program brings together Vietnamese women across the world to learn from one another, grow together, and build meaningful connections across borders and generations.

Whether you are looking for guidance in your career journey or hoping to support another woman's growth, this program offers a space for reflection, connection, and shared learning.

This global mentoring initiative connects Vietnamese women across cultures and continents. Participants from Europe, Vietnam, Australia, and the US have already joined previous cohorts, building relationships that continue long after the program ends.

👀 What's new this year?

- **Shorter, focused journey (3 months)**
  We are introducing a more structured and fast-track format designed to encourage stronger commitment and meaningful progress.

- **3-month mentoring journey** focused on personal and professional growth
- **Three mentoring tracks:** Startup, Business, and Holistic Support
- **Global networking opportunities** through community events and workshops
