✨ VK Nữ Newsletter | May 2026✨

Dear VK Nữ Sisters,

As we move further into 2026, we are excited to share that the next chapter of VK Nữ is truly taking shape.

What started as conversations, ideas, and shared energy is gradually becoming real momentum. Across different countries, cities, and communities, more women are stepping forward to contribute their time, expertise, creativity, and heart to help shape the future of VK Nữ.

To everyone building with us quietly behind the scenes and publicly in the community, your generosity and trust in this vision continue to inspire us every day, thank you!

⭐ Community Updates

On 14 May, we held a VK Nữ strategy meeting to discuss the future direction of our community, social impact goals, upcoming initiatives, and how we can continue strengthening our global network of Vietnamese women. It was incredibly meaningful to see members joining both online and offline, sharing their ideas and passion throughout the conversation.

🌟 Social Enterprise Journey

We are currently working toward officially registering VK Nữ as a Social Enterprise (SE).

Alongside this process, we are refining our social impact pillars and long-term vision to strengthen future partnerships, collaborations, and grant opportunities. There are many exciting developments ahead, and we look forward to sharing more updates very soon.

Once the Social Enterprise structure is established, VK Nữ will be able to accept donations from our community, individuals, and corporate partners to help sustain and expand our initiatives.

🇺🇸 Welcoming Our New COO

We are thrilled to officially welcome Ms. Van Anh Nguyen as the new COO of VK Nữ.

Van Anh has generously volunteered to help strengthen the operational side of VK Nữ as we continue growing our social impact vision and international community. She is also the VK Nữ Lead of New York, one of our most active and engaged chapters.

Currently based mostly in Ho Chi Minh City with her new baby, Van Anh brings both warmth and leadership experience as we continue building a more sustainable and impactful future together.

New Committee Update in Ho Chi Minh

A dedicated collective of volunteers

We are incredibly grateful to the women who continue stepping forward to support and shape our local community initiatives.

🇩🇪 Emily has kindly volunteered to lead our weekend brunch & coordinate the pickleball program, creating more informal and welcoming spaces for connection, friendship, and collaboration.

🇨🇭 Kim has contributed fantastic insights on how VK Nữ can collaborate with NGOs and environmental initiatives in Ho Chi Minh City, including future clean-up and sustainability projects.

🇦🇺 Nhu Virginia is helping create an onboarding pathway for newcomers arriving in HCMC and connecting them with our community in liaison with OV Saigon.

🇩🇪 Hoai Anh and Bao Ngoc continue leading and developing VK Nữ Mentoring Program, now entering its third cohort. The program

continues to successfully connect Vietnamese women globally while strengthening governance and mentorship structures.

🇺🇸 Thu will be developing an artcraft initiative space for the community, encouraging creativity, well-being, and shared experiences through hands-on workshops. Also, Thu will organize VK Nữ She Talks She Sips once every 2 months.

🇺🇸 Uyen - VK Nữ can be homed at her space.

🇫🇷 🇦🇺 My Holland is currently refining the VK Nữ's vision and mission with a stronger social impact focus as we continue building meaningful, community-driven initiatives worldwide.

And to everyone contributing behind the scenes in ways both big and small, thank you for helping shape this next chapter together.

⭐ VK Nữ New York and Kuala Lumpur

One of the most beautiful parts of this journey has been seeing the VK Nữ spirit extend beyond Vietnam and grow into a truly international network.

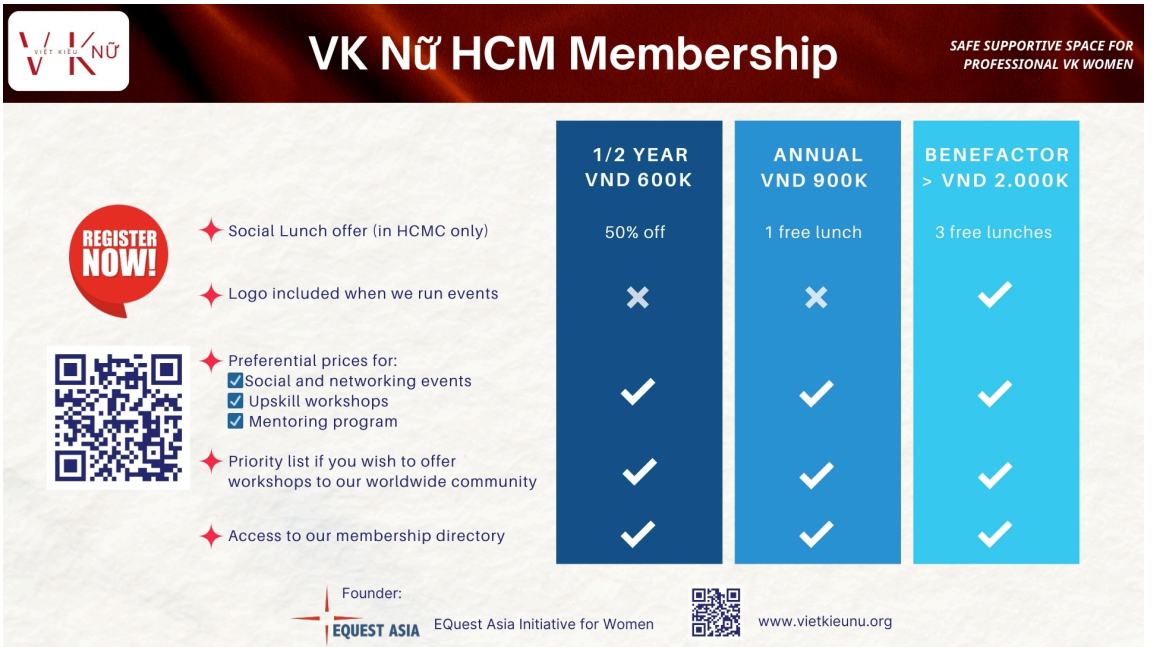

In May, we had the pleasure of connecting with members of our VK Nữ community in New York & Kuala Lumpur, and it has been incredibly inspiring to witness women across different countries coming together through shared identity, support, and purpose.
